

HOLIDAY CATERING

2018 EDITION

BALDUCCI'S
FOOD LOVERS' MARKET

HAPPY HOLIDAYS

After all the buttoning and bowing, there's a moment, isn't there, when candles flicker, the tree sparkles, your house seems nothing short of enchanted, and everyone at the table is someone you love. You can lean back, exhale, and the whole idea of what you make of the holidays falls into place. At least for me, those moments are most often found around a meal intended and enjoyed as celebration.

This year, let us make the buttoning and bowing of the meal a little easier. We can deliver wonderful things; from tempting starters to indulgent desserts and everything perfectly delicious in between. Use us for a single course, or let us provide the whole celebration. And think of it as our holiday gift to you – a way for you to be more present for the presents!

This holiday, as always, our warmest, sweetest, most delicious wishes go to you.

CAVIAR

DOMESTIC WILD: BALDUCCI'S WILD PADDLEFISH (SPOONBILL)

The Spoonbill is a peculiar prehistoric fish that thrives in the waters of the Mississippi and Tennessee rivers where it surface feeds using its paddle-shaped nose to collect nutrient-rich food. The resulting caviar is quite delectable: small silvery pearls with a rich, robust, and creamy taste.

1oz \$45.00 2oz \$79.00 4.4oz \$145.00 7oz \$215.00 500g \$499.00

FARMED OSETRA: BALDUCCI'S GALILEE OSETRA (ACIPENSER GUELLENSTAEDTII) - ISRAEL

Hailing from closed water farms near the Dan River in Northern Israel, this superior offering is not to be missed: it is bright, crisp and is particularly wonderful in its light brown to amber colors. Raised from a brood stock of true wild Russian Osetra sturgeons, we are amazed at how close in flavor and quality these eggs are to the coveted wild "Royal" Osetra.

BLINIS

Lightly toasted, these little buckwheat pancakes are traditional accompaniments to caviar. \$9.99/4.67 oz
